RE: 2008 Annual Jail Inspection

Dear Sheriff Albert J. Rodenberg, Jr.,

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Clermont County Jail a Full-Service Jail, was inspected on Thursday, June 19, 2008.

The inspection was restricted to assessing compliance with a group of standards selected from the Minimum Standards for Jails in Ohio promulgated by the Bureau of Adult Detention. Please note that this inspection does not reflect a comprehensive evaluation of the overall jail condition. The inspection consisted of the jail inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having a brief interview with selected jail personnel.

The enclosed report details the finding of the annual inspection and provides a snapshot of the jail's inmate population of facilities on the date of this inspection. If you have any questions regarding the content of this report you may contact the Regional Jail Inspector listed on the last page of this report. Thank you for your cooperation in this year's annual inspection process.

Sincerely,
